Cool
Technology!

unfortunately
nobody knows why
and how to
use it

great
plan
man!

it will
reduce lots of
CO₂, energy
consumption will
go down down down
etc, etc ...

But who
is to
implement it?!

Oh,
not me,
not me!!

the 3rd of June the
Memorandum of understanding
Was signed
between the cities of

ok,
nice!
But what
does it mean?

Well you
know,
if we want to
do something
about...

the cities can play a
Great Role
yes!

So these
6 cities
agreed on
their responsibility
on the following
11 points:
